Haruki : I want to visit Spain. I have ①several things to do there. (A), I want to see *¹the Sagrada Familia, a *²strange-shaped church. It is said that the church will be finished in 2026. Spanish people enjoy eating food and talking with each other. ②(enjoy / is / I / lives / important / it / our / think / to) in order to stay healthy.

Nami : I agree with you! あ ③(every day / us / enjoying / happy / makes). I experienced something like that in Australia. And I want to go there again! I had a great time. I went to *⁸Cairns with my family in October. I ④(feel) the fresh air on sunny days. When I visited a village, I saw a lot of unique plants and animals. I'm sure that this magic *¹⁴curtain will give me the best memory that I have ever got. As you know, we can see the Northern Lights in a forest or quiet places, so we cannot find places to visit or to buy souvenirs around ⑥there. Finland is known as the home of Santa Claus. If we go to Finland, we can visit his village and meet him during the day, and at night we can enjoy watching the Northern Lights in the sky. After I graduate from high school, I will study Finnish at college. I hope to communicate with people ⑥(live) there and learn many things about a different culture.
